One of the 20th century's most celebrated image-makers, this collection, in a generously oversized format, focuses on Elliott Erwitte's distinctive photographs of dogs. In a heartfelt and original tribute to man's best friend, this photographic master captures all the diversity of the canine kingdom. We witness Fido's many moods from playful, perky scamp to quiet and constant companion. Ranging from daring little imps to lumbering and gentle beasts, Erwitte's images unveil the quiriness that makes these creatures so beloved while combining an unerring sense of composition with the magic of the moment.
