Printreading for Residential Construction, 5th Edition

Thomas E. Proctor, Leonard P. Toenjes

Printreading for Residential Construction, 5th Edition Thomas E. Proctor, Leonard P. Toenjes

This text/workbook presents basic elements of printreading and provides experience in printreading for residential construction. Two sets of prints are included with the text. Content is applicable to a variety of building trades including carpentry, electrical, plumbing, and HVAC. The fifth edition has been updated to include coverage in the areas of green building technology and construction, residential fire protection, sustainable energy systems, the latest print production technology, and expanded building trade roles, materials, and methods. Chapters conclude with review exercises, extensive sketching activities, and trade competency tests designed to challenge learners and reinforce the material presented in the textbook.
