Seven Questions of a Promise Keeper

To get the right answers, you have to start with the right questions.

Two powerful voices combine in one dynamic little book. Hank Hanegraaff tackles four questions that address men's worldview—the origin of men, the truth of the resurrection, the reliability of the Bible, and the importance of an eternal perspective. Tom Fortson explores three relational topics—the essential role of men in society, the danger of isolationism, and the journey to significance. These questions guide men into a deeper understanding of themselves, their God, and their purpose in building their lives on Christ's truth.
