Executive Command Gary H Grossman

The Third Political Thriller in the 'Executive' Series by Gary Grossman

The clock is ticking down to an attack on America's most vulnerable natural resource: Water. Our nation's water resources are high on terrorist target lists, but low on America's consciousness. Water sources are largely unprotected, providing open access to any enemy with chemicals and biotoxins.

So far we've been lucky. But that luck won't last.

This is the all-too-real-and-present danger facing President Morgan Taylor and Secret Service Agent Scott Roarke as they desperately try to prevent hell-bent terrorists from destroying America and its infrastructure city by city, and state by state.

Fact-based in frightening detail, Executive Command is a political thriller that will leave you pondering its strong possibility the next time you pour a glass of water.

PRAISE FOR EXECUTIVE COMMAND...

"...a great thrill ride...Gary Grossman is at the top of his game...A truly bravura performance from a master of the political thriller!" - Dwight Jon Zimmerman, New York Times bestselling co-author of Lincoln's Last Days, Uncommon Valor, and First Command

"Expertly woven and highly researched. Executive Command is not just a great book, it's a riveting experience. So well written..." - W.G. Griffiths, award winning, bestselling Author of Methuselah's Pillar, Malcus, Driven, Takedown, Talons

"Executive Command mixes terrorists, politics, drug gangs and technology in nonstop action! Gary Grossman creates a master villain with a horribly plausible plot to attack the United States; one that will take Scott Roarke and Katie Kessler right to the brink and then over the edge. So real it's scary!" - Larry Bond, New York Times Bestselling author of Exit Plan, Cold Choices, Red Dragon Rising

"Grossman combines detailed knowledge with a frightening, realistic plot to create a non-stop, suspense filled roller coaster ride. Executive Command is a great read!" - Allan Topol, bestselling author of The China Gambit, The Spanish Revenge, Conspiracy

From reader reviews:

Harriet Blum:

Do you certainly one of people who can't read enjoyable if the sentence chained inside the straightway, hold on guys that aren't like that. This Executive Command book is readable by simply you who hate those straight word style. You will find the facts here are arrange for enjoyable looking at experience without leaving even decrease the knowledge that want to provide to you. The writer of Executive Command content conveys thinking easily to understand by many people. The printed and e-book are not different in the articles but it just different available as it. So , do you even now thinking Executive Command is not loveable to be your top record reading book?

Christopher Hill:

This Executive Command is great publication for you because the content which can be full of information for you who all always deal with world and possess to make decision every minute. That book reveal it data accurately using great plan word or we can state no rambling sentences included. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but difficult core information with wonderful delivering sentences. Having Executive Command in your hand like getting the world in your arm, facts in it is not ridiculous 1. We can say that no book that offer you world in ten or fifteen tiny right but this guide already do that. So , this is good reading book. Hi Mr. and Mrs. busy do you still doubt which?

Tamiko Harmon:

Many people spending their period by playing outside together with friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to spend your whole day by looking at a book. Ugh, think reading a book can actually hard because you have to take the book everywhere? It fine you can have the e-book, getting everywhere you want in your Touch screen phone. Like Executive Command which is keeping the e-book version. So , try out this book? Let's notice.

Holly Walker:

That reserve can make you to feel relax. This kind of book Executive Command was bright colored and of course has pictures on the website. As we know that book Executive Command has many kinds or category. Start from kids until young adults. For example Naruto or Private investigator Conan you can read and think you are the character on there. Therefore not at all of book tend to be make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading that will.
