Musicals: Hollywood and Beyond

Musicals: Hollywood and Beyond

The profound influence of the Hollywood musical across geographical and cultural boundaries has long been neglected. This original collection of essays seeks to initiate a new critical debate by approaching classic Hollywood films from perspectives such as 'musicology'. Broadening the scope of previous studies, this volume also examines the manner in which European cinema appropriated the musical to create new meanings. It provides an innovative reading of the influence of the musical on youth culture, and its endorsement in modern dance movies and the music video.

The volume covers the themes of:

- Music and Structure
- Classical Hollywood Musical Cinematic Practice
- Star Texts
- European Musical Forms
- Minority Identities
- Youth Cultures

This is an entertaining and valuable text for students on degree courses in Film and Music. Thought-provoking and authoritative, it will also be a welcome resource for those researching and teaching in the area.

It should be here for anyone. So , don't miss the idea! Just read this e-book type for your better life and also knowledge.

Lynnette Cash:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Musicals: Hollywood and Beyond can make you sense more interested to read.
