Rory McIlroy: An Unauthorized Biography Belmont and Belcourt Biographies

Back in 1996, the world of golf began to evolve in the minds of Americans from a game of rich corporate executives and board retirees to something more palatable to a wider audience. Where Tiger Woods began to redraw the boundaries, young Northern Irishman Rory McIlroy pushes it even further.

With a solid swing and casual smile, McIlroy grabbed the world of golf by the face when he won the 2011 US Open, then bumped himself up the rankings to No. 1 in the world. This book follows his journey from youthful beginnings and amateur status to his professional career.

Then, take a look at the man himself - his philosophies, his training, and his life off the course. Fans of golf young and old should take the time to look through this amazing story of advancing through ranks and breaking records with an unstoppable stride and determination.
