## **Special Delivery** Danielle Steel

At 59, Jack Watson owns one of the most successful boutiques in Beverly Hills, has two adult children who are the light of his life, and his choice of Hollywood's most beautiful women. After a failed marriage in the distant past, and a brief, tragic affair years afterward, Jack has become the perfect bachelor. And he loves it.

Amanda Robbins knew Jack Watson only as her daughter's father-in-law, an incurable playboy whom she dislikes intensely. Theirs had been a relationship based solely upon the marriage of her daughter to his son. And Amanda wants no other relationship with him. But when she becomes a widow unexpectedly, twenty-six years after she retired from Hollywood stardom to become a wife and mother, Amanda finds herself on unfamiliar ground, and is surprised to find herself both befriended by, and attracted to, Jack Watson. Worse yet, she likes him. There is a lot more to him than she previously suspected.

Amanda's shock at her attraction to Jack is equaled only by her children's. Then suddenly, a startling announcement stuns both families, as Jack and Amanda are faced with an unexpected gift that neither thought possible, and with a choice that provides them both considerable challenge. But at a time in their lives when they least expect to feel that way, they not only feel young again, but are blissfully happy, in spite of the confusion, opposition, and obstacles all around them. *Special Delivery* is about what two people do when life gives them everything they wanted, twenty years after they expected to find it. In her 40th bestselling novel, Danielle Steel makes us laugh and cry as she touches the heart with tenderness and accuracy.

### From reader reviews:

#### **Agatha Roughton:**

What do you about book? It is not important with you? Or just adding material when you really need something to explain what you problem? How about your extra time? Or are you busy man? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every individual has many questions above. They need to answer that question simply because just their can do that. It said that about book. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this kind of Special Delivery to read.

#### **Linda Sandoval:**

Why? Because this Special Delivery is an unordinary book that the inside of the publication waiting for you to snap that but latter it will distress you with the secret the idea inside. Reading this book beside it was fantastic author who write the book in such incredible way makes the content interior easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of rewards than the other book have got such as help improving your talent and your critical thinking way. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

#### **Phyllis Smith:**

What is your hobby? Have you heard which question when you got college students? We believe that that issue was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person like reading or as reading become their hobby. You should know that reading is very important along with book as to be the matter. Book is important thing to increase you knowledge, except your personal teacher or lecturer. You see good news or update concerning something by book. Amount types of books that can you decide to try be your object. One of them is niagra Special Delivery.

#### **Jason Valladares:**

A number of people said that they feel fed up when they reading a book. They are directly felt the idea when they get a half parts of the book. You can choose the particular book Special Delivery to make your own reading is interesting. Your skill of reading ability is developing when you similar to reading. Try to choose basic book to make you enjoy to see it and mingle the impression about book and reading especially. It is to be initially opinion for you to like to start a book and study it. Beside that the publication Special Delivery can to be your friend when you're really feel alone and confuse in what must you're doing of the time.
