Reading body language is like a game, once you know the rules you can play the game. We communicate with our body too not just words and in this book; we are touching on some very interesting topics. You can read body language to determine whether someone love you or is lusting after you. This is an important skill for women to have so they do not get their feelings hurt, and also men learn to interpret the body language of women to show if they are interested in you. Also, when trying to earn someone's trust how do you communicate with them apart from using words? And eye contact what is so important about looking someone in the eyes when you talk to them. Well stick out because it will all be explained in this book.
