But somehow living in community always ends up being harder than we thought. This nine-lesson small group study helps participants learn how the Spirit shapes diverse people into a Christ-centered community that reflects Jesus to a watching world. Each lesson is self-contained, featuring clear teaching from Scripture, and requires no extra work outside of the group setting. Designed for: \* Pastors and leaders who want to grow gospel-shaped community in their churches and ministries. \* Church-planters who want to build gospel-shaped community in the churches they start. \* Students and campus ministers who are looking to live out the gospel in their student communities. \* Christians who want to grow relationships formed around the gospel. \* Small group leaders who are looking for content that teaches diverse groups of people about gospel-shaped community. \* Missionaries who are looking for simple material to disciple new Christians in how to have to live in a gospel-centered community.
