READER REVIEWS

"This book is amazing; one of the best I've ever read. The description was great, I could picture every single detail and know what the characters were feeling. I LOVE HOW YOU WRITE AND I LOVE THIS BOOK. THANK YOU FOR WRITING THIS, I CAN'T WAIT FOR THE OTHER BOOK." - Boopitsme, Wattpad

"This is seriously one of the best zombie books I have read in a long time. I know it's a zombie book (I'm not crazy!) but the writing was intense, and just seemed so realistic. I loved the main character Bailey- she didn't start off as some sort of guns blazing hero, but she adjusted and developed into an ass kicking zombie survivalist. I found the storyline really unique and gripping, and I just found the overall writing style and description to be really engaging and pulled me in. The gore level was creepy and perfect, and I liked the way the zombies developed slowly, and that the main characters were still walking around amid the chaos going to hospitals and trying to find an emergency shelter amid the infected people tackling regular people on the street. I could pretty much see this entire book in my head playing like a movie. This author is really imaginative, and that shows and shines through in this book. If you are a fan of zombie fiction, then this is the perfect novel. I can't wait to finish reading the second book in this series on Wattpad." - Megan, Goodreads

"This was beautifully written, A true masterpiece. A fast jarring roller coaster full of drama, suspense, humor, horror, and romance. It was definitely worth the ride and this book was truly amazing, Well written, and deserves to be published, made into a movie or a TV Series. I suggested this book to some of my friends and hoping they'd love it. I'll be waiting for the next installment of this." - KatrissRJCS, Wattpad
