In the fullness of time, Mormon prophecy has been fulfilled with the arrival of new revelation known throughout the world as The Divine Principle. This truth fulfills the criteria set forth by Mormon Doctrine in 2 Nephi 27:10-11, 22; 30:18, namely:

For the future, there is to be new revelation that will dwarf into comparative insignificance all the knowledge now revealed from heaven. When the sealed portion of the Book of Mormon comes forth it will "reveal all things from the foundation of the world unto the end thereof," and in this final dispensation, "all things shall be revealed unto the children of men which ever have been among the children of men, and which ever will be even unto the end of the earth."

In addition to illuminating universal spiritual principles, the Principle also accurately reveals the exact time, place and manner for the Second Coming of Christ on the earth.

This work was formally presented to and received by the First Presidency in 1996. Now for the first time, this amazing revelation which is presented alongside with Mormon scripture has been officially published is available to every Mormon for evaluation, reflection, study and practice.
