## **BOOK #1: Body Language: 27 Essential Steps to Understand and Interpret Body Language Signals**

Body language is one of the most immediately affecting ways to build trust, take control of situations, make money, and even find love. And yet it's taken for granted in spite of its incredible power. What the subconscious knows and responds to, the vast majority of people never take the time to study and understand.

This in-depth look at the 27 essential aspects of understanding and interpreting body language shows you exactly how to earn respect, instantly know when someone isn't telling the truth, and convince people of just about anything... without ever saying a word.

### **Here is what you will learn after reading this book:**

- What actions to avoid so you're never undermined by a wrong move again
- How to make the first—and best—move on the opposite sex
- Where to look to read the intentions of almost anyone you come into contact with
- When to maximize any and every movement
- Why body language is more powerful than almost any amount of money or good looks

## **BOOK #2: Body Language: Ultimate Guide to Master Your Social Skills and Express Better Your Emotions through Reading the Hidden Non Verbal Signs**

At any time, consciously or unconsciously, we are communicating through our body language. In fact, when speaking, only 10% of our communication comes from the words spoken- the other 90% of communication

is from non-verbal cues, the most of which are embodied within body language.

Body language has various facets including gestures, body movements, personal space, and touch and so on. Understanding these facets, and applying them to better express your emotions is the subject of this book.

### **Here is what you will learn after reading this book:**

- How we use Body Language
- Using Body Language Effectively
- Recognize your cues
- Roles of Body Language to Master your Social Skills
- Addressing Difficult Body Language

## **BOOK #3: Body Language 101: Expert Advice on How to Detect Body Language Signs of Lying**

Imagine having the power to know what people were thinking before they ever even open their mouth. How would your life change if you had the ability to automatically know if somebody was lying to you, without thinking twice? "Body Language 101" unlocks that power, teaching you the science behind body language reading.

You will learn how to analyze how a person feels about you, gauge their comfort level, and judge their honesty with startling accuracy and simplicity. Once you've mastered this simple method, you will be applying it during every single conversation that you will have for the rest of your life!

### **By reading this book, you will:**

- Learn to read people's body language with no previous experience or knowledge required!
- Apply widely accepted scientific research to unlock the same methods used by the military, job interviewers, and the FBI!
- Never be left wondering if you're being lied to again!
