Alexis Morgan

Dark Warrior Untamed (The Talions, Book 3) Alexis Morgan

In Alexis Morgan's electrifying new Talion adventure, a sexy warrior fights to save his headstrong lover from the crossfire of an evil plot to overthrow the Kyth's leader.

He questions everything. No one thought Chief Talion Greyhill Danby would report to work so soon after wrapping up his affairs in London. Then again, he didn't expect to find a beautiful spy with a major attitude in his new office. Clearly the Kyth's Grand Dame doesn't trust him to do his duty—to protect her.

She fears the truth. Piper Ryan isn't keen on the arrangement, either. Matching wits with an ancient warrior isn't in her administrative job description. But sharing space with the red-hot head of security could have unexpectedly tempting benefits . . . if he doesn't dig into her secret past.

Opposites always attract. When threatening e-mails result in danger, the fiery sparks between Piper and Grey grow scorching hot. They must defend the throne from a deadly invisible attacker, but will their raging desire keep them together . . . or will their burning suspicions tear them apart?
