## **Detectives in Togas** Henry Winterfeld

In these two delightful history-mysteries, seven boys in Ancient Rome solve strange crimes . . . thanks to some help from their cranky teacher, a little bit of logic, and a lot of amusing misadventure.

Yes, Rufus wrote CAIUS IS A DUMBELL on his tablet at school, but no, he did *not* break into the schoolroom, did *not* tie up his teacher, and certainly did *not* paint his slur about Caius on the Temple of Minerva (even if it *is* in Rufus's own handwriting). Rufus is doomed unless his six classmates can find out who is *really* responsible. Every hour seems to bring a new, confusing clue . . . until the boys finally stumble upon someone who is not what he appears to be.
