## Mayan Lover: A Time Travel Novella Wendy S. Hales

Escaping the brutality of her past and following in her father's archaeological footsteps, Gwen Kramer's love of Mayan civilization uncovers more than artifacts when an ancient myth walks into her present, very real ... and extremely sexy. Giving love a second chance isn't Gwen's greatest challenge, just her greatest fear.

Arka's destiny as Journeyer for the gods takes him on a 2600 year passage to find the Moon Goddess who's walked in his dreams since childhood. However, the shock at finding her clad in khaki shorts, hiking boots and covered in dirt is nothing compared to the one he receives when his true destiny is revealed. When past and present collide, Gwen and Arka's love may not survive the forces threatening to destroy their future ...
