Real Rabbits is addicting. Its fifteen chapters encourage people of all ages and circumstances to understand that authentic success comes from the attainment of: (1) a sincere sense of contentment, (2) strong personal relationships, and (3) a solid character. This is much different from worldly success such as excessive wealth, fame and popularity - things which, in and of themselves, rarely make you happy. This book is designed to help you look critically at your life, think through your decisions, set priorities and goals, develop a solid character, avoid serious mistakes and discover your true passion in life. Real Rabbits draws on the major ethical frameworks of Aristotle, Mill and Kant as well as the Golden Rule as tools to avoid Benjamin Franklin's warning that people tend to get old too soon and wise too late. This book presents a roadmap to accomplish this mission and advocates that each reader start the journey to authentic success now!
