[(Stalingrad: How the Red Army Triumphed)] [Author: Michael K. Jones] published on (March, 2010) Michael K. Jones

Michael K. Jones's new history of Stalingrad offers a radical reinterpretation of the most famous battle of the WW2. Combining eyewitness testimony of Red Army fighters with fresh archive material, the book gives a dramatic insight into the thinking of the Russian command and the mood of the ordinary soldiers. He focuses on the story of the Russian 62nd Army, which began the campaign in utter demoralisation, yet turned the tables on the powerful German 6th Army. He explains the Red Army's extraordinary performance using battle psychology, emphasising the vital role of leadership, morale and motivation in a triumph that turned the course of the war.
