**(Un) Sound Mind** Richard Amico

An engaging thriller that will entertain discriminating readers who love a great mystery. “In this psychological thriller, a lonely man starts to believe that his lucid dreams are predictions of future events, even as they start to implicate him in numerous crimes...Mixing the violent content with healthy doses of witty dialogue to keep things from getting too dark, debut author Amico has a natural knack for creating colorful yet realistic (and refreshingly adult) characters whom readers will truly care about. An entertaining, if occasionally outlandish, mystery populated by an enjoyable array of characters... the story’s major players will keep readers hooked and ready for more.” –Kirkus Review
