Small Farm Handbook, 2nd Edition

L. Tourte, B. Faber

Small Farm Handbook, 2nd Edition L. Tourte, B. Faber

Since its publication in 1994, the Small Farm Handbook has been an essential resource for California's small farmers and the agricultural professionals advising them. Now this invaluable reference has been updated and expanded for today's small-scale producers. What's updated or new in the Second Edition? Background skills & knowledge, requirements for successful farming, farm & financial management, marketing and product sales, postharvest handling and safety, growing crops, raising animals, and labor management. Also included are profiles of six small farm operators representing a sample of California's diverse agriculture. Drawing upon the knowledge of 32 experts from the University of California, no other publication covers topics, issues, and facets of California's small-scale agriculture with this depth or level of expertise. From the basics to risk management, from specialty crops to marketing and product sales, this guide covers it all.

From reader reviews:

Mia Shaw:

What do you think of book? It is just for students because they're still students or that for all people in the world, exactly what the best subject for that? Just simply you can be answered for that issue above. Every person has diverse personality and hobby for each other. Don't to be obligated someone or something that they don't wish do that. You must know how great in addition to important the book Small Farm Handbook, 2nd Edition. All type of book are you able to see on many resources. You can look for the internet sources or other social media.

Robert Younger:

As people who live in the particular modest era should be up-date about what going on or data even knowledge to make these people keep up with the era that is always change and move ahead. Some of you maybe can update themselves by examining books. It is a good choice to suit your needs but the problems coming to an individual is you don't know which you should start with. This Small Farm Handbook, 2nd Edition is our recommendation to help you keep up with the world. Why, because this book serves what you want and wish in this era.

Hilton Rogers:

Your reading sixth sense will not betray you actually, why because this Small Farm Handbook, 2nd Edition guide written by well-known writer whose to say well how to make book that can be understand by anyone who all read the book. Written with good manner for you, dripping every ideas and producing skill only for eliminate your own personal hunger then you still question Small Farm Handbook, 2nd Edition as good book but not only by the cover but also with the content. This is one book that can break don't determine book by its handle, so do you still needing a different sixth sense to pick this!? Oh come on your looking at sixth sense already told you so why you have to listening to a different sixth sense.

Douglas Elem:

Reserve is one of source of information. We can add our expertise from it. Not only for students but in addition native or citizen will need book to know the upgrade information of year to year. As we know those guides have many advantages. Beside most of us add our knowledge, can also bring us to around the world. Through the book Small Farm Handbook, 2nd Edition we can consider more advantage. Don't you to definitely be creative people? Being creative person must want to read a book. Merely choose the best book that ideal with your aim. Don't become doubt to change your life with that book Small Farm Handbook, 2nd Edition. You can more attractive than now.
