Have you ever felt alone, abandoned even by God? Or have you questioned why bad things happen to good people? Are there times you struggle to make sense of world events and the evil that exists in it? Perhaps you've asked how can God allow unspeakable acts to occur?

None of

us can escape the eventuality of times of trouble. And it is during those times of darkness, when we find ourselves walking "the valley of the shadow of death," that we turn our palms and eyes upward and ask the questions that begin with the word "Why."

If you sometimes doubt if God is really there, you need to read this booklet.

If you have a friend who is struggling with the questions generated by human suffering, you need to share this with them.

In

it you will see a "behind the scenes look" at how the world actually works. The veil of secrecy between mankind and God is pulled back and we learn important details about his dealings with us. The truth may surprise you or perhaps disappoint you. But truth doesn't exist solely to satisfy the human mind.
