# Energy and Environmental Hedge Funds -- The New Investment Paradigm (Wiley Finance)

Peter C. Fusaro, Gary M. Vasey

**Energy and Environmental Hedge Funds -- The New Investment Paradigm (Wiley Finance)** Peter C. Fusaro, Gary M. Vasey

**Praise for *Energy & Environmental Hedge Funds: The New Investment Paradigm***

"I highly recommend this book for those investors interested in energy and environmental hedge funds. It is a great handbook on these topics. The authors make a difficult subject easy for investors to understand. *Energy and Environmental Hedge Funds* are both the newest and next area for hedge fund investment and diversification."

—**Lisa Vioni**, President, HedgeConnection.com

"Peter Fusaro and Gary Vasey have done a great job in compiling all of the background information that a newcomer to energy investing should have. This insightful book helps in determining how best to gain exposure to the rapidly changing energy trading sector."

—**Raj Mahajan**, President & Co-Founder, SunGard Kiodex

"The entry of opportunistic hedge funds into the energy sector is creating a sea of change for the industry. Fueled by pension funds and institutional investors, hedge funds are attracted to the petroleum industry because the current price volatility provides generous returns for their investors. However, these investments are not without risk. Gary Vasey and Peter Fusaro explain the ins and outs of it all in their insightful narrative."

—**Don Stowers**, Editor, *Oil & Gas Financial Journal*

"Peter Fusaro and Gary Vasey write about energy and environmental hedge fund markets with greater style, aplomb, and insight than any other observers of financial high streets worldwide.... Outlining some of the early and provocative details of an industry's youthful achievement and potential, it is likely that this exposition by two of the energy and financial world's most credible experts will become a seminal work."

—**Ethan L. Cohen**, Director, Utility and Energy Technology, UtiliPoint International, Inc.
