Metagraphs and Their Applications (Integrated Series in Information Systems)

Amit Basu, Robert W. Blanning

Metagraphs and Their Applications (Integrated Series in Information Systems) Amit Basu, Robert W. Blanning

This book details metagraph theory and its applications. It begins by defining a metagraph and its uses, which allow for the representation and analysis of more complex systems. The first part of the book develops the theoretical results with an emphasis on the development of a metagraph algebra. In the second part, four promising applications of metagraphs are examined.
