With Bukowski, the votes are still coming in. There seems to be no middle ground—people seem either to love him or hate him. Tales of his own life and doings are as wild and weird as the very stories he writes. In a sense, Bukowski was a legend in his time . . . a madman, a recluse, a lover . . . tender, vicious . . . never the same . . . these are exceptional stories that come pounding out of his violent and depraved life . . . horrible and holy, you cannot read them and ever come away the same again.
