Lorraine Adams

**The Room and the Chair (Vintage Contemporaries)** Lorraine Adams

A ridiculed night editor for a prestigious newspaper.

An overburdened nuclear engineer.

A female fighter pilot.

A religiously impassioned young reporter.

A sergeant major thrust into the responsibilities of a secretive command.

Moving from a newsroom in the American capital to a cockpit over Afghanistan, from an Iranian cemetery to a military intelligence office in suburban Washington, *The Room and The Chair* by Lorraine Adams—award-winning author of *Harbor*—is an unforgettable, groundbreaking novel about the often overlooked actors in today's dangerous world.
