## **Covenantal Apologetics: Principles and Practice in Defense of Our Faith** K. Scott Oliphint

Defending the faith can be daunting, and a well-reasoned and biblically grounded apologetic is essential for the challenge. Following in the footsteps of groundbreaking apologist Cornelius Van Til, Scott Oliphint presents us with an introduction to Reformed apologetics as he sets forth the principles behind a distinctly “covenantal” approach. This book clearly explains the theological foundations of covenantal apologetics and illustrates its application in real-world conversations with unbelievers—helping Christians to boldly, knowledgeably, and winsomely proclaim the gospel.
