Indulge (Harmony) Angela Graham

The Prequel Novella to the New York Times Bestselling Harmony Series.

Logan West's life is anything but ideal.

Mindless sex, tedious business ventures, and the occasional poker game keep him occupied, but he only lives for one thing: fatherhood.

Oliver, Logan's three-year-old son, is his entire world. Raising him alone, Logan finds his only joy in spending time giving Oliver the childhood he deserves. But every other weekend, he allows himself the chance to live as a man—a man with deeper desires. Logan knows what he likes, what he wants, and what he needs. He has no interest in dating and believes there's no risk worth taking for romance, but his casual sexual escapes rarely leave him satisfied.

It takes an unexpected decision from his sister Julia and a road trip to the small town of Harmony with his best friend, Caleb, to open Logan's eyes to new opportunities outside his programmed world. Its not what he expects, but Logan's always looking to...indulge.

This novella can be read as the first in the New York Times Bestselling Harmony series to better understand Logan or anytime during the series. It is not a mandatory read to enjoy the series, simply a companion. This is Logan's story of how he ended up living in Harmony and right next door to the woman that would forever change his life.
