Come to the Table: Revisioning the Lord's Supper

John Mark Hicks

Come to the Table: Revisioning the Lord's Supper John Mark Hicks

The premise of this book is that Christian practice of the Lord's Supper as a silent, solemn, individualistic eating of bread and drinking of wine is radically dissimilar from the joyous communal meal in earliest Christianity. The contemporary practice of the supper needs to be *revisioned*; according to biblical values.

Combining careful Bible study with gentle, practical suggestions, this book provides a valuable resource for enriching and renewing a central practice of Christian faith.
