Oliver's Strange Journey Oliver Markus

Oliver, a teenage hacker living in Germany, meets Donna online. She's an American girl living in New York. After chatting and talking on the phone for months, he finally decides to surprise her with a visit. But he soon finds out that things are not what they appeared to be, and that this visit will change his life forever.

Events in Oliver's life become increasingly bizarre. As his life spirals more and more out of control, Oliver gets sucked deeper and deeper into the dark world of drug addiction and prostitution.

Oliver's Strange Journey is not just a dark comedy and coming-of-age novel, but also a psychological thriller based on incredible true events.
