Michael Fried

The Next Bend in the Road (Phoenix Poets) Michael Fried

"In America today there is no lyric work more compelling and well made than *To the Center of the Earth*," Allen Grossman wrote ten years ago of Michael Fried's last collection of poetry. Fried's new book, *The Next Bend in the Road*, is a powerfully coherent gathering of lyric and prose poems that has the internal scope of a novel with a host of characters, from the poet's wife and daughter to Franz Kafka, Paul Cézanne, Osip Mandelstam, Sigmund Freud, Gisèle Lestrangé, and many others; transformative encounters with works of art, literature, and philosophy, including Heinrich von Kleist's "The Earthquake in Chile," Giuseppe Ungaretti's "Veglia," and Edouard Manet's *Le Déjeuner sur l'herbe*; and, running through the book from beginning to end, a haunted awareness of the entanglement of the noblest accomplishments and the most intimate joys with the horrors of modern history.
