Facility Manager's Handbook

Joseph F. Gustin

Facility Manager's Handbook Joseph F. Gustin

The "bricks and mortar" issues of facility management - HVAC, lighting, electrical, plumbing, space allocation, security and grounds maintenance - continue to be at the core the facility manager's role. However, the processes involved in addressing these areas have become more complex. The proliferation of regulatory mandates, worker compensation issues, increased employee litigation, and violence in the workplace have redefined the role of the facility manager beyond "gatekeeper" to that of full-scale operations manager.

Today's corporations, organizations, and business partnerships invest heavily in their physical plants. It naturally follows that they expect to maximize the return on their investment. Facility managers are seen as the catalysts for ensuring that optimal return.

The Facility Manager's Handbook addresses all of these issues, and provides a multitude of tested ideas, procedures and examples for successfully and cost-effectively managing facility operations. Written in a plain-language, reader-friendly style, it provides a panoramic view of the process by isolating the key areas the facility manager must address, including real estate, space and change management, indoor air quality, emergency preparedness and response planning, communications systems, regulatory mandates and more.

From reader reviews:

Inez Morales:

Here thing why that Facility Manager's Handbook are different and trustworthy to be yours. First of all studying a book is good but it depends in the content than it which is the content is as tasty as food or not. Facility Manager's Handbook giving you information deeper and different ways, you can find any book out there but there is no e-book that similar with Facility Manager's Handbook. It gives you thrill examining journey, its open up your eyes about the thing in which happened in the world which is perhaps can be happened around you. You can actually bring everywhere like in park, café, or even in your means home by train. When you are having difficulties in bringing the paper book maybe the form of Facility Manager's Handbook in e-book can be your alternate.

Micheal McDonough:

Reading a publication can be one of a lot of activity that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people love it. First reading a e-book will give you a lot of new info. When you read a reserve you will get new information because book is one of many ways to share the information or even their idea. Second, reading a book will make an individual more imaginative. When you examining a book especially hype book the author will bring one to imagine the story how the people do it anything. Third, you may share your knowledge to others. When you read this Facility Manager's Handbook, you may tells your family, friends and soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a guide.

Jennifer Stanley:

This Facility Manager's Handbook is great guide for you because the content that is certainly full of information for you who always deal with world and also have to make decision every minute. This kind of book reveal it information accurately using great plan word or we can claim no rambling sentences inside. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but tough core information with wonderful delivering sentences. Having Facility Manager's Handbook in your hand like getting the world in your arm, data in it is not ridiculous a single. We can say that no guide that offer you world with ten or fifteen tiny right but this reserve already do that. So , this really is good reading book. Hello Mr. and Mrs. active do you still doubt that will?

Doris Avey:

Reading a e-book make you to get more knowledge from that. You can take knowledge and information from a book. Book is published or printed or highlighted from each source in which filled update of news. On this modern era like now, many ways to get information are available for a person. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Ready to spend your spare time to open your book? Or just seeking the Facility Manager's Handbook when you necessary it?
