Thirsty people are looking to the church for fountains of life-giving water. Too often, they find leaky buckets instead. Pastors and church leaders, often running on empty themselves, are enticed by the latest fad rather than seeking to serve in the power of the Spirit. And thirsty people walk away empty, convinced the church has nothing unique to offer.

Pastor Mark Wilson says it's time for the church to rise up in the power of the Holy Spirit to serve this present age. In *Filled Up, Poured Out*, he challenges and inspires fellow pastors and all Christians to prepare their hearts to be filled with the Holy Spirit, so that they can in turn pour out God's presence, promise, peace, and power in their congregations and communities.

Filled with personal, inspirational stories from Mark's experience with growing a thriving congregation in a Wisconsin northwoods town, this book will inspire you to seek the replenishing waters of God's Spirit and show you the pathway to revival for your parched soul.
