The Diary of Little Kitty (bitchy career woman becomes willing submissive): True Life BDSM Romance Memoir Simone Scarlet

Forget "50 Shades of Grey" - this is the REAL story of a dominant/submissive BDSM relationship

Whips, chains and wet-spots.

Once upon a time, acclaimed erotic author Simone Scarlet was better known as "**Little Kitty Slave**" - a bitchy, bossy career woman desperate to find a way to get close to her hard-working husband.

In the end, she adopted the submissive persona of "**Little Kitty Slave**" - and this is her diary. From wearing a collar and submitting to her husband's perversity, to struggling with the concept of submission, and running roughshod with a horny salesman, Kitty walked a fine line between bossy bitch and obedient slave and every moment is captured here.

The Diary of Little Kitty Slave is a 22,000+ word memoir containing a true-life tale of domination and submission, wife-sharing, slut training, bisexuality, impregnation and breeding, a cuckold wife and more.
