What Momma Left Me Renée Watson

Serenity knows she is good at keeping secrets, and she's got a whole lifetime's worth of them. Her mother is dead, her father is gone, and starting life over at her grandparents' house is strange. Luckily, certain things seem to hold promise: a new friend, a new church, a new school. But when her brother starts making poor choices, and her grandparents believe in a faith that Serenity isn't sure she understands, it is the power of love that will keep her sure of just who she is. Renée Watson shines as a new talent in this powerful and ultimately uplifting first novel.
