Legally I cannot use Lyrics or Music because of Copyright but I can use song titles but don't forget that because of using the original song titles (Italicized) in whole, there are places in the book that could be changed to make it more comprehensible Also due to the nature of my books; legally I must place a Reference either after each story or before the Bibliography in the back of the book. Grab a drink, sit down and join Oprah as she chooses the Big Green Freak to tell his story of the dream he had the previous night. Follow his story through the vivid Hollywood Dreams and how his life today has changed from those experiences. Find out the real answer to the mysterious question that is being asked of him throughout the book and know that a total of 1,284 song titles have been used to make this story possible. After the main story there several other short stories including one section each of their own individual work from Jon Bon Jovi, Richie Sambora and David Bryan.
