Jonathan D. Smele

Civil War in Siberia: The Anti-Bolshevik Government of Admiral Kolchak, 1918-1920 Jonathan D. Smele

The Russian Civil War of 1917-1921 was a pivotal event in modern history. It was the Bolshevik victory in this bloody struggle, not the fighting in the streets of Petrograd and Moscow in October 1917, that secured the victory of Soviet Communism. This book traces the clash between the "Reds" and the "Whites", the counter-revolutionary governments established around the periphery of Russia and aided by the Allies. In particular, it details the epic history of the White movement in Siberia, and the fortunes of its leader, Admiral Aleksandr Kolchak, using a wide range of contemporary sources.
