[(Escaping Into the Open: The Art of Writing True)] [Author: Elizabeth Berg] published on (August, 2012) Elizabeth Berg

Both autobiography and primer, *Escaping into the Open* is an inspiring, practical handbook on the joys and challenges of the writing life. Renowned author and writing instructor Elizabeth Berg interweaves the story of her own journey from working mother to bestselling novelist with encouraging advice on how to create stories that spring from the heart. Continually in print since its original 1999 publication, this invaluable resource is a true and constant friend to all writers, no matter their stage of development. With wit and honesty, Berg provides numerous exercises that will unleash individual creativity and utilize all five senses. Most important, she tells how to fire passion--emotion--into writing itself; to break through personal barriers and reach one's own outer limits and beyond.
