When the rents go away for vacation, James is tasked with tutoring Lily for her Final exams. But when he comes home early from work, and catches Lily doing naughty things in his room without permission he's hungry for another kind of lesson, **hard and without protection!** Will the **inexperienced** Lily **submit** to James? And can she handle James' **thick** aggression? He's not known to be gentle... even if it's a girl's **first time ever!**

Can gentle-hearted Lily change the **demanding** ways of her stepbrother James?
