The Book of Palmistry

Nathaniel Altman

The Book of Palmistry Nathaniel Altman

Based on the author's 30 years of research on the ancient art of palmistry, this is a truly encyclopedic introduction to the tradition. More than 400 diagrams and handprints present a thorough "show of hands," even including information on how one can change the lines on the palms. Five major topics are covered: Western hand analysis; modern psychological aspects; the basics of Indian palmistry; Chinese hand reading; and practical guidance on interpretation.
