Always Returning: The Wisdom of Place D. A. Hickman

Our spirits, our hearts, point to a fundamental and timeless wisdom--to a deeper awareness--and fortunately, *Always Returning* is an insightful and essential guide for all of us. The author points to her prairie roots to illuminate a universal story that we all will recognize. Learning to truly see what is all around us begins within, but we need frequent reminders that we are much more than current events, sensational headlines, endless drama, controversy and conflict, and interminable, often distracting, news bulletins. On a spiritual level, we are the open space of the prairies, the artistic stretch of silvery blues overhead. In many ways, we are even the curious dance of time.

- *Always Returning* is a 15th anniversary edition (a second edition) of *Where the Heart Resides: Timeless Wisdom of the American Prairie* ('99, William Morrow).
