Preaching In and Out of Season Thomas G. Long, Neely Dixon Mccarter

This excellent resource provides help for ministers who must plan their sermons not only according to the liturgical church year but also in response to the secular calendar of national holidays and public ceremonies, and in response to the program calendar of local and denominational emphases. Individual chapters discuss preaching about racial relations; family, church, and nation; the global witness of the church; work; evangelism; stewardship; and giving thanks. Suggestions for sermons on each theme are provided as well.
