Written by real-life Private Equity Analysts, our PE Guide is over 55 pages covering all the basics of private equity, case studies from real-life private equity interviews, the recruitment process and how to land an interview, technical questions, modeling tests and much more! This packet was generated by private equity associates who do the hiring. We know what employers want to hear because we are the employers.

Our team of Private Equity analysts working at mega to mid-market funds spent months putting pen to paper everything they've learned from interviewing at dozens of private equity shops. The Guide includes 5 real-life case studies showing you 3 LBO case studies, 1 qualitative case study and 1 growth capital case study

We teach you everything you need to know in order to nail your Private Equity interview and case study:

- Private Equity Overview: Investments, Structure, and Background
- Private Equity Transaction Process: Deal Team, Fees, and the Investment
- Leveraged Buyout: Characteristics, Advantages/Disadvantages, LBO Modeling
- PE Recruitment: Resume, Recruiting Cycle, Headhunters, and Getting interviews
- PE Interview Questions: Both behavioral (i.e. "fit") and technical questions, how to prepare
- PE Case Study: Going over both in-house and take-home case studies and what to expect
