Hidden New England: Including Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont (Hidden Travel) Susan Farewell

Hidden guides combine unique travel choices, outdoor adventures and little-known locales into a guide where vacations meet adventures. Each guide includes detailed maps, complete internet information for each listing, highlighted author favorites, suggested itineraries and walking and driving tours. Hidden New England is written for the new generation of back-road explorers who are driving through this six-state region with very personal intentions. Understanding that the modern traveler isn't looking to be herded to the same beach or mountain resort as everyone else, Hidden New England focuses on the little hotels, restaurants, and shops (including 30 antique stores) that define this always-independent region. Its recommended lodging options include 209 country inns, 43 cabins, and even 87 campgrounds. Hidden New England reveals the area's history at 17 Revolutionary War sites and 100 historic "American" castles and estates. Spectacular natural spots are revealed, including fall-foliage viewing in 179 parks, beaches, and wilderness areas, as well as 224 hiking and 83 cycling trails. A special section on lighthouses leads to 11 of the area's most interesting. This edition features 58 maps.

Many types of book like here.

Nicholas Ko:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the instructor want, like asked to go to the library. They go to at this

time there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Hidden New England: Including Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont (Hidden Travel) can make you sense more interested to read.
