The Conquest of the Sioux Samuel C. Gilman

In this little book the author has sought to give the reader some glimpses of the American Indians of 1900 and to tell what two devoted missionaries have accomplished in their efforts to lift up one nation of these people. Reference is particularly made to the work of the Christian Endeavor Society and the Young Men's Christian Association among the Indian youth.

This book originally published in 1900 has been reformatted for the Kindle and may contain an occasional defect from the original publication or from the reformatting.
