What kind of doll does Bonnie have?

It seemed innocent enough. Elena gave Bonnie a miniature antique doll for Bonnie's collection. Bonnie put it in the small bureau she brought to make their dorm room at Whitmore College more home like. Now they know Katherine was temporarily inhabiting Elena's body and now is gone. Only Bonnie knows that Katherine left something behind, unfinished business perhaps, the strange gift of a doll. Now the doll is giving out signs that magic could be in play here. What a time for Bonnie to be without her own powers. Would she have to fight this magic problem on her own? She hated to bother her friends with this unique situation. They sure had problems of their own. So she would try to do something about it herself. Soon she is crying out to them for all the help she can get. This Voodoo doll problem is definitely too much for her to handle all alone!
