Love is magical. Love is amazing. But every once in a while love stinks! We've all been there. Heartbreak spawning crafty ideas of revenge. The "It's not you, it's me," syndrome. Well, this book celebrates all those love-bumps along the great highway of life. Fourteen YA authors have come together to reveal the truth about the dark side of love that few people talk about. But with a lot of humor and a bit of mystery, you might not mind too much that LOVE STINKS! LOVE STINKS! is the second anthology from tween/teen publisher Ambush Books. Featuring stories by Vivi Barnes (Olivia Twisted), Marni Bates (Awkward), Eldritch Black (Book of Kindly Deaths), Karice Bolton (the Witch Avenue and Watchers series), Naomi Canale, Cecily Chase (aka Cecily White...Prophecy Girl), Rachel Clarke, Shanyn Day, Tara Gonzalez, Laurie McLean, Doug Rees (Vampire High), Lynda K. Scott (Great Escapes B&B), Linda Wisdom (A Demon Does It Better) and Carol Wolf, (Summoning), LOVE STINKS! will take you on a roller coaster of red hot goodness that will make you laugh, cry and everything in between. Ambush Books is the brainchild of award-winning children's book author Douglas Rees, his literary agent Laurie McLean, and social media ninja and agent Pam van Hylckama Vlieg. Often their luncheon conversations would involve tales of fabulous classic children's books that were no longer available for purchase. What a shame! So Ambush Books represents their quest to bring those abandoned treasures out of the dark caves where they've been hidden away by publishers in order to share them with the tweens and teens of today. Ambush will also publish books in series that never saw the light of day as well as anthologies introducing new voices to middle grade and YA audiences.
