You Can Use Powerful Text Messaging Techniques To Attract Mr.Right and Keep Your Relationship Fresh, Fun, and Exciting!**

Text messaging is very easy and something that most people do on a daily basis. However, there is a huge difference between texting your friends and texting a man you are interested in. Sure, you can just put together a quick message and hit send, but will this message increase your chances of getting serious with him, or will it shatter your chances completely?

A properly composed text message could mean the difference between being viewed as a potential future girlfriend or just a girl to have fun with while he looks for someone better.

If you are married or in a committed relationship, you can use well-written text messages to make your love life a lot more fun and exciting. The right texting technique can also rejuvenate a relationship that has been stuck in a rut.

Whether you are married or dating, this book has the right texting techniques for you.

Ladies who are looking to find the right man will learn:

- How to decipher a man's true intentions based on how he texts.
- When to text him and how to do it the right way.
- How to use simple messages to become irresistibly attractive.
- How to flirt via text message without giving him the wrong impression.
- How to avoid texting blunders with the man you are interested in.

Ladies who are married or in a serious relationship will learn:

- How to make him feel loved and appreciated by sending one simple text message.
- How to get him to want to send you cute spontaneous messages.
- How to get him excited every time he receives a text from you.
- How to revive a stagnant relationship.
- How to make him want to be more romantic.
- How to keep things fun, fresh, and exciting.

This book contains dating advice for women in relationships and those who are still looking for the right man. All the dating and relationship advice in this book is geared towards texting attraction.
