The European Union Mine Actions in the World: The European Union Mine Actions Publication Covers Actions Undertaken and Supported by the 2002 Budget

The European Union was among the first to condemn the indiscriminate character of anti-personnel landmines and to recognise the unbearable suffering they impose on civil populations. Therefore, over the last years the European Union has been promoting enhanced coordination and cooperation with the United Nations and other relevant international organisations “ as well as with civil society “ in order to progressively free mineaffected countries from this scourge, and to mitigate the appalling human and material damages it causes.
