The Man with Two Left Feet and Other Stories Brand New Copy Complete Edition By P. G. Wodehouse

The Man With Two Left Feet, and Other Stories is a collection of short stories by P. G. Wodehouse, first published in the United Kingdom on March 8, 1917 by Methuen & Co., London, and in the United States on 1 February 1933 by A.L. Burt and Co., New York. All the stories had previously appeared in periodicals, usually the Strand in the U.K. and the Red Book magazine or the Saturday Evening Post in the U.S. It is a fairly miscellaneous collection — most of the stories concern relationships, sports and household pets, and do not feature any of Wodehouse's regular characters; one, however, "Extricating Young Gussie", is notable for the first appearance in print of two of Wodehouse's best-known characters, Jeeves and his master Bertie Wooster (although Bertie's surname isn't given and Jeeves's role is very small), and Bertie's fearsome Aunt Agatha. Sir Pelham Grenville Wodehouse, KBE (15 October 1881 – 14 February 1975) was an English humorist, whose body of work includes novels, short stories, plays, poems, song lyrics and numerous pieces of journalism. He enjoyed enormous popular success during a career that lasted more than seventy years, and his many writings continue to be widely read. Despite the political and social upheavals that occurred during his life, much of which was spent in France and the United States, Wodehouse's main canvas remained that of a pre- and post-World War I English upper class society, reflecting his birth, education and youthful writing career. An acknowledged master of English prose, Wodehouse has been admired both by contemporaries such as Hilaire Belloc, Evelyn Waugh and Rudyard Kipling and by recent writers such as Christopher Hitchens, Stephen Fry, Douglas Adams, J. K. Rowling, and John Le Carre.
