Meet Amy Jackson. An outspoken, raunchy, in-your-face, loudly inappropriate ER Nurse who makes a career out of indulging. One-night stands have always been her thing. Commitment and relationships are two words that are not in her vocabulary. Amy doesn't have dreams of soul mates and white picket fences. She adamantly refuses to even consider the idea of getting married and starting a family. She's also obstinate in allowing a certain physician to get on her good side... James Williams. A cocky, smug, too-damn-good-looking orthopedic surgeon who has his sights set on the very feisty Amy Jackson. He is more than intrigued and ready to do whatever it takes... "I want this woman. I'm the type of guy who will fight for what he wants until he gets it. I will take my time with Amy. I won't rush her. I will continue to slowly slide myself into her life until she realizes that I belong there. And then...I won't let her go." This is Book Two in The Infamous Series.
