**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

## Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

## Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

## Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

*For undergraduate and graduate courses in urban sociology.*

**A social psychological perspective informed by political economy encourages sociological understanding of the city and suburb in the past and in the contemporary world.**

*Experiencing Cities* is an introduction to urban sociology based heavily on microsociology and symbolic interaction theory—emphasizing the way people experience the urban world in their everyday lives, interact with one another, and create meaning from the physical and human environments of their cities.
